**NOTICE**—Our Single Tubes, with few exceptions, are double the size of any foreign now in the market. Price Lists and Pamphlets, giving opinions of some of the most eminent artists, will be furnished on application. Among those who have used them and attested their merits may be mentioned:

### MARATTA OIL COLORS

Pure, permanent, and finely ground in the best oils. Artists of reputation realize the value of the MARATTA COLORS. The relation of these COLORS to each other forms a perfect Chromatic Scale. The advantage of this Scale—to both Artist and Student—is evident when the COLORS and HUES are laid out on the palette. There are imitations on the market.

Ask for MARATTA COLORS at your dealer's, or order direct from the manufacturers.

Importers of Mussini, Decorative, Rubens, Oxford, Dusseldorf Oil Colors, Horadam Moist Water Colors; TEMPERA and Gouache Colors.

*Color card on application*

### MARATTA MOIST WATER COLORS

The MARATTA MOIST WATER COLORS are of greatest permanence. In relation to each other the Maratta Colors are tempered and form a chromatic scale. The advantage of this scale—to both the professional and student—is analogous to the instrument used by the musician. The six neutral greys, viz., Red, Orange, Yellow, Green, Blue and Purple Hues are low octaves of the Colors and may be used to neutralize the Colors. The Hues may be neutralized by the addition of Black. Rubens Brushes, French and German Canvas for Oil and Tempera Tapestry Canvas, in widths of from 50 to 150 inches.
